Sir,

With reference to your O M
No. 156 dated 5th August 1893
calling for a report regarding
the management of Lakshma
Devamma Temple in the
Heggadadevankote Taluk,
I have the honor to state
that the Government monthly
Tasdik for this temple is
only Rs 1-7-4 while its establish-
ment composed of one Cham-
bhog and four kavalgurus

and the Padithara Deepadhanag costs besides funds required for the periodical ~~etc~~. The offerings made by the devotees to the of this temple consist of grains, oil, ghee jewels, and money. The money and a portion of the sale proceeds of the cloth and jewel offerings also when necessary were availed of under Comr's order dated 20th August 1852 to meet the temple requirements, and thus all the ceremonies were duly performed.

Deputy Commissioner's recent ~~order~~ ^{G.O. No. 665} dated 5th Aug 91 entirely prohibited ~~that~~ the appropriation of "Kamke and kappa" amounts for such purposes and ruled that they should all be credited to Receipts of Temples when the Tasdik amount and the grains received in offerings, alone, proved inadequate to meet even the ordinary daily requirements, but as they were unavoidable recourse was had to purchasing articles on credit. The debts thus incurred as also the pay of the establishment in arrears amounts to Rs 77. 14 6 up to date and clearance thereof is urged by the employees and the creditor.

Under these circumstances I would request the favor of your exempting this temple whose Tasdik is so very small, from

from the prohibition enjoined in the
aid Yadast, and obtaining a
sanction for availing as much
of Kanike and Kappa income as may
be absolutely necessary for due observance
of all the ceremonies of the temple, as it was
originally allowed in the Chief Commissioner's
order alluded to above.

A bill for the amount in arrears
payable to the temple employees and the
merchant is submitted (together with ver-
nacular correspondence and the memo
under reply) for sanction for the amount
being paid out of Rs 406-6- held in de-
posit in the District Treasury as the
realizations of 'Kanike and Kappa' of the temple
reserved since receipt of the Yadast referred
to.
